THINNER GROUP

İZMİR FIRÇA SANAYİ ve TİCARET A.Ş. has been established in 1993, which manufactures and trades all kind of paint brushes, paint rollers in construction group and cleaning mops, car brushes, floor brushes and various brushes in cleaning group.

In 2017 our company has become an integrated facility with establishing **İZMİR RULO SANAYİ ve TİCARET A.Ş.**, which produces all kind of paint rollers.

It sells to local and national markets and corporate firms with its wide range of products and distribution network in Turkey, with dealers, wholesalers and retailers. It exports to more than 25 countries abroad and its exports are increasing every year.

The tradition of achieving the firsts started with quality certificates in the sector continued in 2014 by entering stock market. It accelerated its growth and development with the resources obtained from the stock market.

Producing high quality products and offering them to the market with reasonable prices is the vision of our company.

Our company, which renews its facilities with high technology machinery and equipment, continues to grow and develop rapidly by taking support from government in order to increase its R & D investments.
